Dear Mr Wilson

PORTSMOUTH COLLEGE – RE-ROOFING PHASE VI

I write on behalf of the board of governors, staff and myself for the very successful completion of the latest phase of the re-roofing programme. As in previous phases, the level of communication with my staff contributed greatly to the success of the project and the consideration once again afforded to the needs of the College was very much appreciated. Please pass on my thanks to all involved.

I would also like to give my thanks to Ernie Ansell and his team for the urgent attention given to the repairs required to the lower flat roof just recently. Your attention to rectifying this matter in such a speedy manner once again reflects well on the service that you provide.

Yours sincerely

Tom Espley
Principal
